Dear Parents ,

Greetings to everyone! After the difficult and hard covid years, the school has re-opened on 25 May 2022, for all classes from UKG to Std X. On 30 May 2022 LKG also joined the team. It is a pleasure to see children moving around in the campus like butterflies fluttering. They brought life to the campus which remained lifeless and inactive for two consecutive years. Teachers decorated the class-rooms to welcome their beloved students.

The thought of restarting cultural competitions, sports and other celebrations brought goose bumps to everyone. As the first step, students from Std I to Std X were divided into four Houses named after four precious gems Ruby, Emerald, Sapphire and Topaz.

The first House meeting was held on 1 June 2022. In this meeting each House selected their captains and vice captains. On 3 June 2022, investiture ceremony was held. Captains, Vice-captains and Prefects for the new year took the oath and received their Badges. Kiran P. Biju was sworn in as the school Captain and T. Ann Maria Saju as the Vice-captain. The Captain and Vice-captain for each house are as follows.

Ruby – Aadinarayanan and Niranjana A.S. Emerald - Richard Rise P. Chakramakkil and Aditi Kurup . Sapphire - Melvin Reju and Annet Esther. Topaz - Abhiram P.S. and Neeharika Sujith.

The school congratulates all the new leaders. May the Almighty give them the wisdom and insight to discharge their duties efficiently.

On 6 June 2022, environment day was celebrated in school. On this occasion Environmental activist Sri. Gireesan V.S., who is also a retired teacher and ardent Gandhian, spoke to the students. He reminded the students about the need to care for and protect our mother earth.

To commemorate the works of late P.N. Panicker Kerala Government observes 19 June as Reading Day. In connection with this, a special programme was held on 20 June 2022. Students enacted the story 'How I taught my grandmother to read' by the popular author Sudhamurthy.

The cultural competitions of Excel Public School '**SPECTRUM**' is unique and special. Spread over 4 months these competitions ensure that all students get opportunity to participate in various events. **Spectrum 2022** was inaugurated on 8 June 2022 by Sri Arunlal, the winner of Kerala State Film Award for Best Choreography. Being a theatre person, he enthused our students with his versatile performance.

Spectrum includes common to all, individual and group events. Each child can participate in two individual events and three group events. Spectrum 2022 consists of seven segments. They are Expressions, Aawaz, Srishti, Ragam, Play House, Quiz Whiz and Noopur. The first segment Expressions concluded on 17 June 2022. Topaz House became the winner of Expressions. "Expressions" included common to all items only. Story writing, essay writing, versification and hand writing(group 1 & II) were part of Expressions. Currently Aawaz is being held. Aawaz includes recitation, speech, declamation, story telling, show and tell etc. This segment contributes largely to the narrative and oratorical skills of children.

May I inform you that the first unit test is scheduled to start on 4 July 2022 for all classes from Std I to Std X. The time table has already been sent through WhatsApp. The portions for each subject has been given to the students. Kindly ensure that your child has taken down the portions correctly. Parents are requested to see to it that your ward prepares well for the test paper. Please note that we will have regular classes as usual after the test paper. I advise you to keep your children at home if they are sick or unwell on exam days too.

Anticipating your co-operation and prayers.

Dear parent

Our annual day celebrations are scheduled to be held on 27th & 28th of January 2023. Due to Covid 19 and the subsequent restrictions, annual day celebrations were not organised during the last two years. As a result students of the kindergarten and Std 1 do not have any experience of practising on a large built -up stage. Though the students of Std 2 have an experience , they might not remember much.

Considering that the final rehearsal on stage can be given only on Thursday, 26 January 2023, we request you to send your ward to school that day. Children are expected to reach by 8:45 a.m. so as to take part in the flag hoisting. Students can go home at 4:00 p.m. as usual.

If your ward has been asked to come for practise tomorrow, Saturday 21.01.2023 please drop them in time.
